<b>Information Sought :</b>	Please provide information on 1)How does IIMR procure millets for their research 2) List of millet suppliers with contact information		

**ICAR-Indian Institute of Millets Research (IIMR)**  
Rajendranagar, Hyderabad 500030

**RTI Query 1:** How does IIMR procure millets for their research

**RTI Reply:** The seeds required for research are multiplied and produced in the fields of ICAR-IIMR, other farms of universities (AICRP centers) and other state/Central government farms. Seeds are also produced on farmer's fields by ICAR-IIMR on participatory basis to multiply ICAR-IIMR's own quality seeds. Seeds are not procured from market.

**RTI Query 2:** List of millet suppliers with contact information

**RTI Reply:** The information is not applicable for seeds produced for research at ICAR-IIMR as the millets seed production is undertaken by ICAR-IIMR using its own seeds and that IIMR does not procure seeds of millets from market.

**Dr. D. Balakrishna**  
Principal Scientist,  
ICAR-Indian Institute of Millets Research
