Response to RTI application

Query: Is there any support provided to start ups/ innovative ventures/incubators and if so, can you kindly specify the names and team behind the startups/ innovative ventures/incubators and the domain in which they operate?

Response: Nutrihub-IIMR supports the millet start-ups (both pre-seed & seed stage) under RKVY-RAFTAAR scheme with the Grant-in-aid assistance to start-ups under both the categories. The start-ups operate in millet space, with focus on production and sales of RTE and RTC products. However, there is a diversity in the business model among the start-ups. Further, Nutrihub-IIMR supports the early-stage start-ups through Common Facility Centre (CFC) enabling them with a GTM strategy for their products.
