Dated: 02.07.2018

**Expression of Interest (Eoi) for Millet Grain Production**

**Call For the Expression of Interest (Foi) From Farmers / Farmers producer organizations (Farmers Interested Group) For Enrolment with ICAR-IIMR, Hyderabad for Grain production of Jowar, bajra and small millets for 2018-19 and summer 2019.**

ICAR-IIMR, a constituent organization under the Indian Council of Agricultural Research, a society under DARE, Ministry of Agriculture & Farmers Welfare, Government of India, invites Expression of Interest (EOI) from the reputed Grain Producing Organizer (Private grain Producers/ Govt. Agencies/ Co-op. Societies, etc) for Production and Supply of quality grains of millet crops of said variety.

**How to Apply:**

A brief statement about the Grain producing Organizer profile, ID cards, Pahani (RTC), Aadhar etc., experience in grain production of millet crops and their supply, facilities available for processing, grading, packing etc. needs to be furnished, along with copies of supporting documents.

The production programme for Kharif 2018 and for the subsequent period will be allotted to the qualified agencies. The grain producer shall have to sign an agreement with ICAR-IIMR for supply of committed quality within the stipulated period. The cumulative requirement would be for a quantum of approximate 200-500 quintals in a year which may vary according to actual requirement.

Presently the above details are required for short listing of producers. Interested and experienced firms in this domain may submit their technical proposal with details of grain production and supply requirements and about themselves so as to reach Senior Administrative Officer, ICAR – IIMR, Hyderabad so latest by 21.7.2018 up to 1400 Hrs.

**Terms and Conditions:**

- Grains will be fair average quantity, free from glues, impurities, stones, micro weal contamination, broken grains etc.,
- The quantity and variety of grain to be produced would be finalized by IIMR on mutually acceptable terms for meeting requirement of each season.
- The organizer would complete all formalities for undertaking grain production programme and deposit mandatory documents and fees for the same.
- The total cost of grain production would be borne by the organizer. The organizer will be required to monitor and render necessary guidance for implementation of full package of practices of the grain crop for better production and shall render all documents required by the Certification agency for verification.

- After the crop has been harvested, the processing, grading and packing of the grain so produced will be carried out by the organizer.
- IIMR will procure the grains so produced from the organizer at the prevailing market price and approved procurement price by IIMR in accordance with purchase committee as incorporated in the agreement signed by both IIMR and Grain production Organizer/Farmer.
- After the grading & cleaning process is over, the organizer would inform IIMR about the exact quantity of certified grain ready for supply in order to make arrangement of the same for diversion by IIMR.
- Organizer will keep the total quantity of grain produced in its go - down at ambient storage condition. IIMR will issue delivery order to organizer for supplying the grain from the go-down.
- The terms and conditions stated below shall be binding on the parties and their relationship shall be governed by the same.
- The organizer shall arrange field inspection of grain plots as and when required.
- The Service tax, Income tax or if any would be borne by the organizer only.
- In the event of any dispute or difference arising under or in connection with this agreement in implementation or its satisfaction. The same shall be referred to the sole arbitrator, who may be appointed by Director IIMR and decision of the arbitrator will be acceptable to both and abide by them.
- The Director, ICAR-IIMR, Hyderabad, reserves the right to accept or reject any or all the EOI without assigning any reasons thereof.
